**JURA is with their compelling performances and highly acclaimed album 'River Songs' a glimpse into a world that exists for everyone, but is rarely noticed or accepted.**

The expressive songs confront and stir. Show a surprising side of guitarist Ruben Hoeke and vocalist Jan Blaauw.

Some quotes about JURA in the press: 'impressive - heartbreaking - pure - authentic - raw - honest'

Folk, Blues, Americana, Rock, Country are music styles in which JURA creates its own path and the dynamics between the two musicians melt together as one.

From small stage to big hall JURA always manages to hold the attention and touch guests in their hearts ...
